Seasons of Joy and Gladness, today's devotion shows the consequences of health scares. *Discipline Through Love and a Stroke* shows us how God helps us through a traumatic health event, and all the consequences, to a life of a new normal. The Society of St. Andrew, challenges us to remember our desperate 42 million children and adults here in the United States who suffer the trauma of hunger, and struggle to put enough food on the table each day. Does your daily spiritual focus this season include giving? Every \$3.00 you set aside for Society of St. Andrew will put 20 meals of healthy food on the plates of those who need it most, giving both you and them, a blessing!

We are excited you have joined us for worship today! If you are visiting, please fill out a blue card and place it in the offering plate.
