Building Fund received	\$303	
Building Fund needed each Sunday	\$335	
Apportionments Received	\$40	
Apportionments Received YTD	\$2,645	
Number in attendance	73	

GOD'S K9 ANGELS

GOD's Canine Angels is a non-profit organization under 501(c)(3) created with one goal in mind: to provide high quality service dog training for children and adults with physical disabilities or other special needs. This project was born in the heart of three Christian friends, more like sisters, who shared their passion of helping others.

We envision a place where children and anyone with disabilities can come and not feel judged; a place where they can meet others struggling with the same limitations. Our dream is to have a farm where we can do our training not only with dogs but incorporate equine and aquatic therapy, as well. .

God's Canine Angels was founded with a purpose to enrich the lives of those who suffer from a disability that makes it hard for them to navigate through life in a normal way. Our Canine Angels will support their humans to overcome the disability by providing support when and where needed. We believe that creating a bond between the working dog and their human is the best way to have a successful relationship. We also believe that the human must be a part of the training in order to build that bond and have a solid working relationship. This is why instead of providing a fully trained dog, we place them as soon as possible, so the dog and human can start the bonding and training process.

The type of training we do is based on Positive Reinforcement and Choice Teaching; we do not use any adverse methods. Training is broken up into 4 stages, and all pups must pass each stage before moving to the next. All dogs are required to have 400 Public Access Hours in order to be tested for the Public Access Test. Most people do not realize the amount of time and commitment it takes to train their Service dog. Each person is expected to share in the cost of training their K9 Angel. We utilize a sliding scale system based on the Federal Poverty Guidelines. This helps us determine the portion of training costs, if any, to start Service Dog Training.

As a non-profit organization, Gods K9 Angels depends upon outside financial support. If you are interested to learn more about us and how you can help, our website: godsk9angels.org has greater detail.

Thank you for sharing your worship time today!!
